N. Strength and Weaknesses of the University

16.1	Strengths of the University	<ul style="list-style-type: none"> • World class campus, student centric focus, industry-oriented learning, international partnerships. • Modern curriculum and teaching methodologies matching Global Standards with strong emphasis on not just 'learning' but 'understanding and applying', through experiential learning. • Curriculum with flexible credit-based system, passion programmes, interdisciplinary vide courses through minor & Liberal Arts, skill enhancement courses and value-added courses adds value to the offered programs. • Small class size for better student-faculty interaction • Modern Classrooms equipped with audio-visual teaching aids • Highly experienced full-time, visiting, adjunct faculty for all courses drawn from leading management and technology industries and institutes from across the country. • Strong backup by group companies and industry linkages - to impart rich hands-on experience with leading corporations and excellent placement linkages through co-op model. • Thrust on enhancing the employability skills of students apart from academics. • International Interactive session leads to instill a global mindset and encourage multi-immersion experience internationally among faculty and students.
16.2	Weaknesses of the University	<ul style="list-style-type: none"> • Experienced and NET qualified full-time faculty as per the norms and guidelines of the UGC are hard to get especially for many new disciplines, with relevant years of corporate experience. Not available despite best of our efforts of giving regular advertisement in newspaper, social media and paying salary as per as the norms with providing best of the facilities. • The approach road to the university, which is about long and passes through a village, is very poor and destructive.
